Thanks for the reply Jim. GP appreciates your prompt response.

On a side note, neither Dave Massengill nor I received your email yesterday although we were in the address lines. I will check to make sure your address is not being blocked on our end.

Have a great weekend.

Subject: RE: Area 1 FS Extension Request

Chase,

Thank you for submitting the Area 1 FS extension request. The revised Area 1 FS is currently due to EPA on March 22, 2013. EPA is willing to grant GP an extension for submittal of the Area 1 FS report. However, the 130 day extension is unacceptable. At this time EPA is only willing to grant GP a 60 day extension beyond the current March 22, 2013 deadline for submittal of the Area 1 FS report.

I will follow up with a formal letter next week regarding this 60 day extension, but wanted to make sure you had a record that EPA was agreeable to an extension for GP's resubmittal of the Area 1 FS.

thanks

Jim,

Attached is Georgia-Pacific's formal request for an extension of the due date to submit the revised FS report. Garry is on vacation until the March 26th but I will be available to answer any question you may have regarding this submittal in the interim.

Regards,
